Your heart will always be my home,
No matter where I go,
No matter what may come.

You'll be my shelter in the storm,
a harbor safe and sound,
where only true forgiveness can be found.
But still, I wanna run away
And go it all alone.
When will I ever learn from my mistakes?

And I can't live without your love.
Cause your eyes have seen beyond,
the things I'm guilty of.
I won't be afraid to turn back down the road.
Cause your heart will always be my home.

And when, I've cried a thousand tears,
you've always wiped them dry.
And watched me as I spread my wings and fly
to a place, where holiness begins,
and mercy never ends.
And I will find my freedom once again,
But still, I wanna run away
And go it all alone.
When will I ever learn from my mistakes?

And I can't live without your love.
Cause your eyes have seen beyond,
the things I'm guilty of.
I won't be afraid to turn back down the road.
Cause your heart will always be my home.

Your hands are always open,
to catch me when I fall,
I feel a million miles away,
but that's no distance, at all...

But still, I wanna run away
And go it all alone.
When will I ever learn from my mistakes?

And I can't live without your love.
Cause your eyes have seen beyond,
the things I'm guilty of.
I won't be afraid to turn back down the road.
Cause your heart will always be my home.
Cause your heart will always be my home.
