V.1

How can I find you- are you hiding or am I
Should I go or should I wait- for a sign
Following your voice- walking through a desert night
Looking for a silent storm in the sky
And I stand in my emotion and I let it be my own
Cuz I know I'm not forsaken
And I'll never be alone

Ch.

When I fall - when I fall
I know will I be landing
When I fall- when I fall
You will still be standing

V.2

Somewhere in the silence I can hear your broken voice
Like a radio station fading out of range
Somewhere in the crowd from the corner of my eye
I thought that I could feel you- walking by
And when I get this feeling like I am not so strong
I still can feel you with me
Yea you've been there all along

Bridge

Somewhere I'm alone- won't you take my empty hands
And fill them with your love
Won't you take me as I am
