Climbing on a cloud  
Dancing on a daydream  
I don't have a doubt  
Just how good this life could be  
You lift me up

Running in the rain  
Singing in the sunshine  
Telling all the world  
Why I'm so in love with life  
You lift me up

### CHORUS

You lift me up  
I'm touching the blue sky  
You lift me up  
I'm on top of the world  
You lift me  
I'm getting closer to heaven  
In every little thing I love  
You lift me up

Heading for the stars  
Riding on a moon beam  
Taking me so far  
Farther than I've ever been  
You lift me up

### Chorus

And it's so crystal clear  
I'm in love  
All I'll ever want  
All I'll ever need is right here  
da da da da deed um da da da da deed do  
Repeat  
Repeat

### Chorus
