It looked up and saw the sky so the countdown News broadcast of silent prayer for your children Like hundreds of millions of personal space journey carrying a vision of a better

It is higher than the day before on behalf of Retiring next year at the dungeon In a flash, as the old generation

You let the task be completed on schedule and draw the mark Now with a son or a lengthy walk in the blazing Across the universe pride

Pat used to meet the reciprocal of life Do not Duhen become bigger and more backward Adult Abusive to revisit the past there have been angry New Century / roles help you This leaves the rocket took off his uniform has come under the bus

He crashed just like the "Challenger" Get off to complete the responsibilities of history However, blood-red light to stay low hundreds of millions of brand-new challengers

He would figure to break away under the setting sun Fan enthusiasm left singing through the ages Has been soaring to share a wild fly

You let the task be completed on schedule and draw the mark Now with a son or a lengthy walk in the blazing Across the universe pride Has been used to cope with the reciprocal of life (House of recollected fragments in the deal)

Do not Duhen become bigger and more backward Adult Abusive to revisit the past on space walk New for you This leaves the rocket took off his uniform has come under the bus To do good has been done is considered a The next chapter you have to (you have to under the bus)...
