Yakko: Level and levity, lewd and longevity
Libel, libation, Lanai
Lithium, litigate, legal, legitimate
Liberty, levy and lie.
Dot : Welcome back. Yakko's now at the L's as he tries
to sing all
The words in the English language. A slight mistake at
the
F's -- here's what it looked like:
Yakko: Facial and faction and fractal and fraction
And fraudulent, fragrant, frapp
Frankincense, frankish and frakisish, frashhh...
Shoot! Yadda yadda flamb!
Dick : Now, that mistake could have proved costly for
Yakko, but he
Recovered beautifully.
Dot : Now let's watch as Yakko continues with the L's.

Yakko: Libation and libertine, limited, limousine
Limpid and limbo and lime
Lima and lipid and literature, liquid
And listing and liter and line.
There's lobby and loading and loathsome and loaning
And logo and then locomotion
There's lotus and lottery, lobo, lobotomy
Logic and loosen and lotion.
Lozenge and lubber and lucky and lover
And lullaby, lumber and luke
Luster and luscious and lunatic, lustrous
And lurking and lunar and lute.
Dot : Yakko's now about halfway through all the words
in the English
Language. Dick Button and I will be back with more.
