Dot: I love cheap romance horror thriller novels.

[BOOM!]

Dot: Quiet!

[CRASH!]

Dot: All I want is quiet  
No reason to deny it  
I can't take that riot  
Quiet! Quiet!! QUIET!!!

Let me clarify it  
The noise I can't defy it  
I simply will not buy it  
Give me quiet! Quiet!! QUIET!!!

Now to nullify it  
I just won't stand by it  
It's time now to bye-bye it  
I want quiet! Quiet!! QUIET!!!

[Moo! Crunch! Chew! Whoot-whoot! Cricket-cricket!]

Dot: I want quiet, quiet, quiet!  
This urge, I can't deny it,  
To find some peace and quiet,  
I'll search both low and high; It  
Must be quiet! Quiet!! QUIET!!!

[Scotland, bagpipes disturb her]

Dot: Quiet!!!

[Paris, France, in the cathedral of Notre Dame]

Dot: (spoken) Ahhhh. Such peace, such joy.  
[Bells disturb her]

Dot: Quiet!!!

[Pisa, Italy. Leaning Tower falls over, disturbing her]

[Map of Africa. Elephants stampede through map]

Dot: I said quiet! Quiet!! QUIET!!!

[Desert island, turns out to be volcanic]

[Nepal, high on mountain top]

Dot: (spoken) Yoo-hooooo (Yoo-hooooo...yoo-hooooo)

Ahh.

Hmm.

Gee, it's so quiet.

Too quiet.

Terribly quiet.

Awfully quiet.

AAAUUUUUUUGGGHHHHHHHHH!

(AAAUUUUUUUGGGHHHHHHHHH!

AAAUUUUUUUGGGHHHHHHHHH!)

Dot: I thought I wanted quiet

I thought I could apply it

But now that I have tried it..

I'm sick and tired of quiet!

[Pulls out boom-box and plays rock version of  
Animaniacs Theme]

Dot: Hee hee hee hee!
