It's been so long since we took the time
to share words from deep inside us
We're in our own world spinning our wheels
but you know how I feel

Well since the first time I took your hand
my love for you has just been growing
You always seem to understand
You know how I am

Chorus:

I'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be around

When you're alone and I'm away
don't be sad don't be afraid
I'm gonna turn my thoughts to you
like I always do

Chorus:

I'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be around

Catch you when you fall
Hold you when you're down
Sharing every moment
I wanna show you all I do
I believe I've found a miracle
in you

Chorus:

I'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be around
