Sometimes it's hard just to be yourself
I know you know
So close to tears
Wanted to give up
I am all alone
But now you're here
Right by my side
And I just want you to know

(chorus)
You give me wings when I'm falling
You lift me up when I'm down
Taking me higher
Touching the sky
Yeah you make me fly...

Now I am stronger than I was before
Because of you
Your so polite
And unwanting more
I can't believe it's true

But now you're here
Right by my side
Don't ever let me go

(chorus)
You give me wings when I'm falling
You lift me up when I'm down
Taking me higher
Touching the sky
Yeah you make me fly...

Ooh baby
Woooah
Come fly away with me

You give me wings when I'm falling
And that's why I'll sing to you
woah

(chorus)

You give me wings when I'm falling(when I'm falling)

You lift me up when I'm down(when I'm down)

Taking me higher(Taking me higher)

Touching the sky(Touching the sky)

You made me(you made me fly...)

You give me wings when I'm falling(ooh yeah)

You lift me up when I'm down(when I'm down)

Taking me higher(Taking me higher)

Touching the sky(Touching the sky)

You made me(you made me fly...)

You give me...wings...
