Motivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivate

Sane thing happen
Everyday and every night
And I know
All I wanna do is hold you tight

When I look around
I see that things are going down

Motivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivate

Do you open your eyes
To the things that we're fighting for?
'Cuz I know I don't
Wanna lose like we lost before

When I look around
Our satellites' been on the ground

Motivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivate

Think of the way
Think of the way that you walk around
Do you open your eyes
To the things that are going down?

When I look around
I see the world's been upside down

Motivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivate
