Last night in our bedroom  
thought I didn't sleep a wink  
seemed I could not close my eyes  
heard the sound of waterdroplets  
dripping in the sink  
checked them once  
I checked them twice

thought I was up all night  
but it wasn't true  
seemed I was sleeping tight  
dreaming about you

I was dreaming about you  
you know I can't live home without you  
I was dreaming like a child  
There were tears on my pillow  
I was weeping like a willow  
I was dreaming, dreaming wild

Try to crack the mirror  
but it just gave me the blues  
Checked the paper on the wall  
Saw you on the marble stairway  
kicking out your shoes  
Glances of the crystal ball

thought I was up all night  
but it wasn't true  
seemed I was sleeping tight  
dreaming about you

I was dreaming about you  
you know I can't live home without you  
I was dreaming like a child  
There were tears on my pillow  
I was weeping like a willow  
I was dreaming, dreaming wild

They were really saying something  
They told me what to do

What I want (What I want),  
What I need (What I need)  
I was dreaming about you

I was dreaming about you  
you know I can't live home without you  
I was dreaming like a child  
There were tears on my pillow  
I was weeping like a willow  
I was dreaming, dreaming wild

But after all the changes, all the dreams  
Dreaming wild
