I HAD A DREAM

Paul Revere and The Raiders

I had a dream

I had a dream

Had myself a dream today

The same one

Havin' it most every day now

Since you been gone

Wake up in the mornin' and I find

You're not in my room

You're in my mind

Suddenly the sun has lost its shine

Baby, baby, baby

I had a dream

I had a dream

I had a dream

I had a dream

Had myself a dream tonight

The same one

Havin' it most every day now

Since you been gone

All alone upon a mountain high

Lookin' at your pictures in the sky

Turned around and looked into your eyes

Baby, baby, baby

I had a dream

I had a dream
