Now, things was looking golden, baby  
Everything was fine  
You never made no sign  
That you had changed your mind

I guess I was mistaken, girl  
To count so on you  
What else could I do  
Time to pay my dues

Well girl, I've been torn up before  
But I can't handle that once more  
Well I been down for a long long time  
And now it's time to reach my mind  
There's lots of pain upon this earth  
Girl, I've had my money's worth  
I have had my ups and downs and all around

Girl, I've tried to change your way of thinkin'  
Tried to make you see  
Well, livin' here with me  
Is where you ought to be

But it didn't seem to make no difference  
It never changed your world  
Or stopped your social twirl  
You're still the same old girl

And now, I've been torn up before  
But I can't handle that once more  
I been down for a long long time  
But now it's time to reach my mind  
'Cause there's lots of pain upon this earth  
And girl, I've had my money's worth  
I have had my ups and downs and all around

I've been up, down, all around now baby (up, down, all around)  
I've been up, I been down, I been all around now baby  
(up, down, all around)  
Yeah we've both been up and down and all around

baby(up, down, all around)  
You go up, you go down, you go all around now baby  
(up, down, all around)  
Yes, I'm up, I'm down, all around now baby (up, down,  
all around)  
Up and down and all around
