

The Evolutionaries "Slave"

Visit "[Slave](#)" on MotoLyrics.com

If I've only got one life.
I won't waste mine in spite -
distracted and gone blind,
I'm drained of all my fight...

I won't move where you tell me,
if I smile it's obligatory,
I'm not your's,
I never will be,
I'm a slave to the misery...

I won't move where you tell me,
if I smile it's obligatory,
I'm not your's,
I never will be,
I'm a slave to the misery...

-

I don't know you but I'll,
change you if you let me,
by my left hand you will die,
and by the right you'll come alive -
drink my blood...
Eat my flesh -
take your love out on me,
bondage is what I know best.

I won't move where you tell me,
if I smile it's obligatory,
I'm not your's,
I never will be,
I'm a slave to the misery...

I won't move where you tell me,
if I smile it's obligatory,
I'm not your's,
I never will be,
I'm a slave to the misery...

I won't move where you tell me,
if I smile it's obligatory,

I'm not your's,
I never will be,
I'm a slave to the misery...

I'm not your's, I never will be,
I'm not your's, I never will be,
I'm not your's, I never will be,
I'm a slave to the misery -

I'm not your's, I never will be,
I'm not your's, I never will be,
I'm not your's, I never will be,
I'm a slave to the misery.
