you (you) stay (stay) don't (don't) walk (walk) away
(away)

i know what i see,
pictures hanging up-you and me
so happy, can't you see
that i need you and you need me.

so i sit here by the phone,
but your not calling and your not home...
your not home!

you (you) stay (stay) don't walk away from me,
don't (don't) act like (act like) everythings okay,
cause i won't turn my back on you in time of need,
so you stay, don't walk away from me.

well i see, well i see pictures hanging up-you and me,
so happy, can't you see,
that i need you and you need me.

so i sit here by the phone,
but your not calling and your not home...
your not home!

you (you) stay (stay) don't walk away from me,
don't (don't) act like (act like) everythings okay,
cause i won't turn my back on you in time of need,
so you stay, don't walk away from me.

you (you) stay (stay) don't walk (don't walk) away
(away)

you (you) stay (stay) don't walk away from me,
don't (don't) act like (act like) everythings okay,
