No, girls don't just wanna have fun  
We take it fast, take it slow, we can come undone  
We're so much more than a magazine, can't you see  
It's a fight with society

I've been living in a movie  
So make believe  
Tired of this script  
I was losing me

I'm rewriting  
Happy endings, I realize  
I take the pen  
I control the lines

Turn it up make it louder  
Jammin' out alone  
I love this song  
'Bout a boy who's proven wrong  
I don't have many secrets  
What I say best believe it  
Oh, it feels so right  
Living a girl's life

Watching movies... no make up on  
You arrive, can't decide if I've got the time  
I'm at the scene where Edward is gone  
Oh bella you better... better stay strong

Turn it up make it louder  
Jammin' out alone  
I love this song  
Bout a boy who's proven wrong  
I don't have many secrets  
What I say best believe it  
Oh, it feels so right  
Living a girl's life

This is a song is for every girl  
Who's ever felt the weight of the world  
I've been there too, she's been there too, we've been

there too  
So just...

Turn it up make it louder  
Jammin' out alone  
I love this song

Turn it up make it louder  
Jammin' out alone  
I love this song  
'Bout a boy who's proven wrong  
I don't have many secrets  
What I say best believe it  
Oh, it feels so right  
Living a girl's life

Turn it up make it louder  
Jammin' out alone  
I love this song  
'Bout a boy who's proven wrong  
I don't have many secrets  
What I say best believe it  
Oh, it feels so right  
Living a girl's life
