(Sings)

Bom bom

I got something home

I've got something home

I've got a boat for a home

I've got a? dome

God damn I'm? homeless dome

God damn we will or won't

God damn my voice a bassline

Baby baby baby needs a bassline

Hold on baby? it's my time

It needs a?

(Sings)

God damn this

God damn this?

Homa homa baby oh yeah

This is dear? baby

Another pig in the troth baby

Another brick in the troth

Another brick in the wall I break on thru

Take a fxxkin lyrics and adapt for you

Another brick in the wall I break on thru

Got the other side they're tapin you

Baby I'm the pop style sshbls soup

Baby look at fxxkin sshbls soup

Break on thru b-b-b-break on thru

Another brick in the wall I break on thru

Another (fade) take the planets down

I don't like the way they're lookin now

A? damn

Take a'the stars and flick em around

God damn the classroom is borin man

?

Take all the Moses and Jesus-freaks

Take em all baby whatu I do with them

Put em down suddenly and up now

Baby baby break on thru break on thru

This is my god damn sshbls soup

How dya like it baby b-b-brick in the soup
Another fxxkin brick in the soup
Take all the wall down and? you
Take a god damn fxxkin shbils soup
How dya like my god damn shbils soup
I take a brick break a brick caus I break on thru
Take the paint brush and get that stuff
Hats off baby that's love
That's love caus you say that man
I never heard nothin?
Verse? but the verse is o-ver
? so?
Baby baby baby come ndown
Baby baby?
O-ve-e-r I'm sure you are
Baby take a god damn?
Wo wo wow I need a bassline
God damn I got that covered on the side
All the time baby? the tracks
Really that song get on that
Best of best of all
I can do it less than yall
(Laughs) bica bu bang
My fxxkin sshbils soup
Break on thru another brick in the soup
How dya like my god damn ssshbils soup
Another brick in the wall another chair
Put the 4 legs back on that chair
Stop dismantling the things I know and love
And then you sellem back to me
Like you're up above
... Ssshbils soup
How dya like my fxxkin brick in the soup
How dya like my god damn ssshbils soup
Another brick another... brick in the soup
