VERSE 1

Was only just the other day,
When all this felt so real,
Like nothing could go wrong,
Was like a never ending dream,
Nothing ever changed,
For so long,

BRIDGE

But now you've gone away,
And I've tried turning the page,
And it's just not the same,

CHORUS

But I'm breathing in,
And I'm breathing out,
I'm wide awake,
But I can't hear a sound,

Though I'm breathing in,
I can't think about,
Another you, Another me, Another now.

VERSE 2

Where do I go from here,
I've never felt so strange,
I've never felt so torn,
Cause ever since you came my way,
I learned to live by you,
And now I'm on my own,

BRIDGE

I know I need some time,
To leave all this behind,
Cause I'm still hanging on,

CHORUS

But I'm breathing in,
And I'm breathing out,
I'm wide awake,
But I can't hear a sound,

Though I'm breathing in,
I can't think about,
Another you, another me, another now.

VERSE 3

Sitting here, all alone,
Don't wanna move, nowhere to go,
Nothing's real, just wanna hide,

BRIDGE

Cause your not here

CHORUS

But I'm breathing in,
And I'm breathing out,
I'm wide awake,
But I can't hear a sound,

I'm breathing in,
And I'm breathing out,
I'm wide awake,
But I can't hear a sound,
Though I'm breathing in,
I can't think about,

Another you, Another me, Another now

Oooh woah

Another you, Another me, Another now
