Are you fine  
Or feelin' down again?  
Are you all right?  
You're safe in here my friend  
Cuz I've been on that path before  
I know how it feels at the door

Are the stars  
out to shine for you?  
Strength that comes  
Drivin' down the avenue

I've been on that path before  
I know how it feels at the door

When you're inside  
outside  
You're watching this unfold

Inside, outside  
Well isn't this a ...

Is it time?  
Or can you stay awhile

Maybe I..

Cuz I've been on that path before  
I know how it feels at the door

When you're inside  
outside  
You're watching this unfold  
inside, outside  
Well isn't...

When you're watching this unfold  
Oh  
Isn't ..

Are you fine?

Or feelin' down again  
Are you all right?  
You're safe in here my friend
