She is the type of girl it will make you do whatever she
comes to mind
You may think you got a lady but she will make you
reevaluate your life
Like in a sticky situation [?] contemplating being
faithful or getting something easy
Now she is holding you against your will
You're not sure how to feel
Cause if she want it
She's gonna get it
So you best give up
She is a bad girl
She will do girls your girl won't do
She is a bad girl
She will have [?] too
She is a bad girl
Feel the lust and desire
You are like [?] but in the need
It's almost worth it
She will come to you
And seduce you
Make you do once you see her freak one dress
In your mind you're saying save me
But your body is screaming there go baby yes
And now you are in a sticky situation
Contemplating being faithful or getting something
easy
Now she is holding you against your will
You're not sure how to feel
Cause if she want it
She's gonna get it
So you best give up
She is a bad girl
She will do girls your girl won't do
She is a bad girl
She will have [?] too
She is a bad girl

She is a bad girl
