I've been searching for a man
All across Japan
Just to find to find my Samurai
Someone who is strong
But still a little shy
Yes, I need, I need my samurai

Aye aye I..
I'm your little butterfly
Green, black and blue
make the colours in the sky
Aye aye I..
I'm your little butterfly
Green, black and blue make the colours in the sky

I've been searching in the woods
And high upon the hills
Just to find, to find my Samurai
Someone who won't regret
To keep me in his net
Yes, I need, I need my samurai

Aye aye I..
I'm your little butterfly
Green, black and blue
make the colours in the sky
Aye aye I..
I'm your little butterfly
Green, black and blue make the colours in the sky

Aye aye aye aye (3x)
Where's my samurai?

Aye aye I..
I'm your little butterfly
Green, black and blue
make the colours in the sky
Aye aye I..
I'm your little butterfly
Green, black and blue make the colours in the sky

Aye aye I..
I'm your little butterfly
Green, black and blue
make the colours in the sky
Aye aye I..
I'm your little butterfly
Green, black and blue make the colours in the sky

Aye aye aye aye (3x)
Where's my samurai?

Aye aye aye aye (3x)
Where's my samurai?

Aye aye I..
I'm your little butterfly
Green, black and blue make the colours in the sky...
