You got the smile
I got the stash
I feel so good in my Maison dress
You trick my mind
But I gotta go
No disrespect if I loose control

Run away, run away run away ohh
Break away, break away break away ohh
Night and day, night and day, night and day ohh
I can't be with you

Candlelight, candlelight
I don't wanna dance with you, dance with you
Give it time, get a life
I don't wanna dance with you, dance with you
I'm alive, I'm alive
I don't wanna dance with you, dance with you

Oh-oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh-oh

You look to good to look that way
My mama 'd kill me if I stayed to play
No no no don't talk like that
My daddy knows where you're livin' at

Run away, run away run away ohh
Break away, break away break away ohh
Night and day, night and day, night and day ohh
I can't be with you

Candlelight, candlelight
I don't wanna dance with you, dance with you
Give it time, get a life
I don't wanna dance with you, dance with you
I'm alive, I'm alive
I don't wanna dance with you, dance with you

Oh-oh-oh-oh-oh-oh-oh-oh
Candlelight

Oh-oh-oh-oh-oh-oh-oh-oh
Give it time
Oh-oh-oh-oh-oh-oh-oh-oh
Get a life
Oh-oh-oh-oh-oh-oh-oh-oh
I don't wanna dance with you

Candlelight, candlelight
I don't wanna dance with you, dance with you
Give it time, get a life
I don't wanna dance with you, dance with you
I'm alive, I'm alive
I don't wanna dance with you, dance with you

Candlelight, candlelight
I don't wanna dance with you, dance with you
Give it time, get a life
I don't wanna dance with you, dance with you
I'm alive, I'm alive
I don't wanna dance with you, dance with you
