[Phonte]
It goes...
Woo! Hey

[YahZarah:]
Sittin' on my lunch break, waitin' by the phone, yeah
But I never get a ring today, uh-uh
Not a word from you, and you never answered my call,
no
I guess it wasn't my turn to play
Got home and nursed I wanna cry
And I poured it myself a taste, uh-huh
Gve my girl a call and say 'Baby, let's hit the town',
yeah
I'll never let a Friday night go to waste, uh-huh

What's tonight
You're with another girl and I'm with my friends
Things you like
Feels like I'm right back where I started again
Candle light
Grown up and I'm not waiting
Got no more time for your lies in my eyes
They ain't gonna cry over you

Hey, dressed and feeling sexy [Sexy]
Lip gloss and red stiletto pump, yeah [Black
pantyhose]
I've got all attention and maybe may I mention
I'll be puttin' it on 'em [Hey]
And it's not the end of my world
I can't say I'm not disappointed
We're really coulda had a good time
Tonight is young and for the taking
And this girl's gonna be fine

[Phonte/rap:]
Yo, uh, never seen, never heard before
Never embraced the face like hers before
She said she ain't got a man and ain't got kinds
But she got a situation like Jersey Shore

No strings preferred, of course
Said "Baby, you're such a gentleman and your
kindness is humbling"
'Cause all she needed was a night getting over him
So next morning, she was waking up feeling me

What's tonight
You're with another girl and I'm with my friends
Things you like
Feels like I'm right back where I started again
Candle light
Grown up and I'm not waiting
Got no more time for your lies in my eyes
They ain't gonna cry over you
(Let's switch it up)

You're with another girl and I'm with my friends (Yeah)
Feels like I'm right back where I started again (One
time)
Grown up and I'm not waiting
Got no more time for your lies in my eyes
They ain't gonna cry over you (Uh, yeah)

Mmm-mmm, hey
Ain't gonna cry over you
Oh, ooh, ooh, ooh, ooh, yeah-eah
Ain't gonna cry over you
Oh, eee, yeah, yeah
Ain't gonna cry over you
Eee, yeah, yeah, yeah-eee, oh-oh-oh-oh-oh, oh
Ain't gonna cry over you, ooh, ooh
Ooooh, ooh, ooh, ooh, ooh, ooh, yeah
