Is it time here for praying?
Is it time here to die?
And I wake up and it's raining
And you're leaving here tonight

Is it winter in the morning?
Is it over or a lie?
And I'm shaking but I'm breathing
I just need to close my eyes

Oh you never were to blame
The broken glass is everywhere
It's crawling through your veins
The memory won't disappear
Again - tonight
Even Fallen Angels cry
Fallen Angels cry

Is it time here for dreaming?
Is it time here to die?

And there's nothing to believe in
But the One who gave me life

Oh you never were to blame
The broken glass is everywhere
It's crawling through your veins
The memory won't disappear
Again - tonight
Even Fallen Angels cry
Fallen Angels cry

I can hear you falling, feel you breaking
See you calling me
I can taste you bleeding, feel you shaking
Know you're needing me

Fallen Angels Cry

Oh you never were to blame...
