ActionMen are ready to drink our fill

No water no coke Mauro's watching us...

How many teeth! ? His smile's so big but not equal

To the liters that's we gulp down

A night drunk drilling girl with the plastic cock

Let's rock

The car's out of bounds

Eternity I desire this night couldn't pass the day streak

Cold dawn

A car too fast, inside a wine taste

You can see dick showers, dancers, barmen, disco

gets us free

But the tragedy's near:

Have to go back home

My drunk mind should feel the fear

Eternity like this street, how far is my bed!?

A cross! Wake Up Friend! SOCK!

A car too fast, inside a wine taste,

4 friends = 1 driver

The day after... headached laughsa
