

The Explosion

"Fairy Stories"

Visit "[Fairy Stories](#)" on MotoLyrics.com

Detonating Bombs. Fire. Everywhere
Extraterrestrial Scum. The Enemy Outthere.
Hand Me A Gun. There Is Flesh. That Is A Body And
That'S A Hole.
Hand Me A Gun To Make My Hole.
Hand Me A Gun To Satisfy My Soul.
The Enemy Outthere.

We Need Someone To Show The Evil Inside.
Aliens In Space - So Kill Them. It'S Your Right.
We Need Someone To Show The Evil Inside.
Aliens In Space - Kill Them. That'S Your Right.
The Enemy Outthere.

It Was Something On Tv.
And I Can'T Stand It Any Longer. Fairy Stories.
Maybe It'S Wrong What We Think And What We Do.
We Don'T Care. We Know The Others Are Capable
Of Doing This Too.
Smallminded Hybris. We Miss Reality.

Take Aim And Shoot.
