I don't know why
You like to make me cry.
You don't know how I feel
When she comes into sight.
She likes to talk to you,
She wants more from you.
Don't pretend you don't have a clue
What she's trying to do...

CHORUS

I wanna run over you so you feel it too,
I wanna jump up and down,
I wanna scream and shout,
I'm not bouncing loose,
I'm gonna turn it around on you,
So you can feel it too
Ah aya ay

So you like to play,
I'm so in the game.
You can't lie to my face.
Don't need reasons why,
She's still in your life.
I see you light up when she calls every night.

CHORUS

I wanna run over you so you feel it too,
I wanna jump up and down,
I wanna scream and shout,
I'm not bouncing loose,
I'm gonna turn it around on you
So you can feel it too...
So you can feel it too...
Woh-ohh

I know why...

I wanna run over you so you feel it too,
I wanna jump up and down,
I wanna scream and shout,
I'm not bouncing loose,
I'm gonna turn it round on you

So you can feel it too...

Ah aya ay

Ah aya ay

I'm gonna turn it round on you...

So you can feel it too...
