What a kind of guy makes a girl cry
Not to mention one that is pretty as you
I hate to see tears fall from those eyes
That's the total opposite what a man should do

[Chorus:]
You know you deserve better
I can give you that and more
Come with me finna be my girl
Finna be my girl

If he was smart
But is clear to see he don't know how
He's been sleeping around and broken your heart
You should be feed up and... by now

[Chorus]
Girl that's right
I don't see why you don't see it
He is doing you so wrong
You deserve better
You deserve a man to do you right
Love you every day and night
That's what you need
That could be me

You finna be my girl
