The sun ain't gonna rise, until it feels right
Just like a man ain't gonna learn until it's been burnt
Well, I guess I'll let the... him to act right
Soon as I let him go, he got another in his life
He gotta up and got a job, no more hanging on tonight
Because I made him my man!

Chorus:

I did it for 'em teary eye, lonely night chicks
The one who spend the lives putting up with his issue
I did it for the fairy tale wishing, true love searching
Happily ever after chicks.
I did it for 'em teary eye, lonely night chicks
The ones who know he's wrong, but still put it with it
I did it for the mr. right wishing, glass slipper, happily
ever after
Chicks.
This is for my cinderellas, yeah, this is for my
cinderellas!

Saw him recently, I could tell that he really loves her
Treats her like a queen, and that's the way it should be
I ain't bitter there's a mister out there for me
Probably women... prepared for me
When the time is right he won't keep me waiting
Because she made him my man!

Chorus:

I did it for 'em teary eye, lonely night chicks
The one who spend the lives putting up with his issue
I did it for the fairy tale wishing, true love searching
Happily ever after chicks.
I did it for 'em teary eye, lonely night chicks
The ones who know he's wrong, but still put it with it
I did it for the mr. right wishing, glass slipper, happily
ever after
Chicks.
This is for my cinderellas!

You can't make nobody love ya, until their heart is fully
mortal

You got away, cause someday you'll be cinderella
So keep your heart protected, lady
One day you will find your baby
Until then, make another man for my cinderellas

Chorus:

I did it for 'em teary eye, lonely night chicks
The one who spend the lives putting up with his issue
I did it for the fairy tale wishing, true love searching
Happily ever after chicks.
I did it for 'em teary eye, lonely night chicks
The ones who know he's wrong, but still put it with it
I did it for the mr. right wishing, glass slipper, happily
ever after
Chicks.
This is for my cinderellas! for my cinderellas!
