(Chip Shearin, YahZarah, Eccentric)

[Chorus:]

Friday, Friday, my day, yeah, alright

So you're tryin' to find YahZarah

I ain't here, I ain't there, no, dear

Friday, heyy, heyyy, yeah, alright

So you're tryin' to find YahZarah

I ain't here, I ain't there, no, dear

Put the vinyl on, let the needle head

Let the music play, that is my day

Alright, alright, hey, hey

Call your friends up without delay

Put the red light on, ain't no time to play

Put the sector on hold 'cuz we're 'bout to wild out

'Cause it's, 'cause it's Friday, my day

[Chorus]

Let the music play

You wanna know why I sing on Friday

'Cause it's not Saturday, y'all, it's Friday

Better than Monday

Gotta work from in through Thursday

'Cause it's Friday, YahZarah's day

Said it's Friday

[Chorus]

I'm gonna sit back and relax, alright

Heyyy

I wanna release myself from my stress

Oh yes, oh yes

Don't have to worry about the work day

That's right, because it's Friday

And I'm gonna relax

And let the music play all damn day

[Chorus]

Ohhh, oh, oh, ahh, yeah, Friday

So you're, so you're, so you're, so you

So you're, so you're

Oh yes, it's Friday night

And the feeling's right [you can't find me, no]

So what'cha gonna do

If you really don't wanna dance?

So you try to find me Monday, that's right

Maybe find me on Tuesday
Oh, let's talk about on Wednesday
I'm not be around on Thursday
But don't look for YahZarah on Friday
Friday, oh, it's Friday
So you lookin' for, so you lookin' for me
I'm not here, sorry
Ohhh, ohh, we're gonna let the music play
'Cause it's Friday, yeahhh
We're gonna stay up all night long
We're gonna stay up all night long
We're gonna stay up, all, all, all, all night long
We're gonna stay up all night long
We'll let the music play all night long
