There she go, there she go, there she go,
Walking down the stairs to the kitchen in the morning
time,
The first time that I saw her
I knew I had to see her walking through my life!
Every sun rise I want it to wake up [?] that face,
Smile at me, touching me with a sweet embrace!
And I'm proud to say that's something I get from her,
Every single, every single day!

[Chorus:]
That's my girlfriend,
Yeah that's my girlfriend yeah!
Yeah that's my girlfriend!
That's my girlfriend,
Yeah that's my girlfriend yeah!
Oh, what I'm doing now?
L O V E
My love!

[?] that love, kinda' love she'd be holding me down
I real ride that I should,
I got her back, she got mine too,
And that's more than enough to keep her as my boo!
Ups and downs do...
Cause we always win!
Don't you see the joy in my eyes,
When I say I conquered the greatest woman alive?

[Chorus:]
That's my girlfriend,
Yeah that's my girlfriend yeah!
Yeah that's my girlfriend!
That's my girlfriend,
Yeah that's my girlfriend yeah!
Oh, what I'm doing now?
L O V E
My love! My love!

She's so good to me,
Make me wanna do some crazy things like

Tattoo that girl all over me,
Drop to one knee, get my baby what she needs!
She made me wanna sell my life over to her,
God know I'm down for her!
Shwaty's my best friend and one day she'll be my wife
To the very end!

[Chorus:]

That's my girlfriend,
Yeah that's my girlfriend yeah!
Yeah that's my girlfriend!
That's my future!
My baby!
That's my girlfriend,
Yeah that's my girlfriend yeah!
Oh, what I'm doing now?
What I'm might do without my love!
I know, I know, I know!
L O V E
My love! My love!

That's my girlfriend,
Yeah that's my girlfriend yeah!
Yeah that's my girlfriend!
That's my future!
My baby!
That's my girlfriend,
Yeah that's my girlfriend yeah
What I'm might do without my, love!
I know, I know, I know!
L O V E
My love! My love!
