I accidentally shot myself
But this ain't a gun control thing
I accidentally took a gun and shot myself
But this ain't a xx gun control thing
Dad says they ain't toys
Dad says we are just boys
Dad says I ain't a man
Dad says I got a flippard hand
Dad says I got a bad hand
Dad says I got a mad hand
Look at my god damn fickard hand
Look at the gun I flick my wrist up now
I get that gun I fxin spin it around
Get that bullets fxin in here now
Loaded gun my father loaded it for
What you god damn on this boat with me for
Boat to Heaven but you stay on earth
I'm axed as a character for all I'm worth
Baby get the guns baby get stunned baby
Hunt baby
I got a hunch
It's gonna be bad when I pull this gun
Be bad when I pull this gun
Be bad when I pull this gun
Be bad when I pull this gun

Chorus

This ain't a gun control thing
This ain't a gun control thing
This ain't a gun control thing
I got plenty of control though I shot myself

This ain't a gun control thing
This ain't a gun control thing
This ain't a gun control thing
I got plenty of control though I shot myself

(Speeds up)

This ain't a gun control thing

This ain't a gun control thing
This ain't a gun control thing
I got plenty of control though I shot myself
