With Acid in front of you
You'll forget the other bands
When we strike for mad
Power supply is on it's way
The call us heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
And if your boosters should burn out
Flames will sweep up high
Nothing less than heat & steel
Will connect heaven & hell
They call us heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
I've been the nail of your grave

The nail of your grave
Since I was a young girl
I didn't really care for words
As shame & disgrace
No I didn't, I said, no I didn't
Don't let me go that way
'Cause I don't wanna be one of those
Who lost their head
In the middle of the bloody damned raid
The creature has reached the top
Beware for your ears
Watts & db's have been launched
To get you all deaf & done
They call us heaven's devils
Heaven's devils... yeah

Heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
Heaven's devils
Heaven's devils... yeah
