Get out of their way
Let them pass you by
They're heading for a suicide war
Eighty tons of heavy armed steel
Won't hold them from burning hell
Oh yeah... hell on wheels
Oh yeah... hell on wheels
That's what we're looking for
A hell on wheels
A hell on wheels
A hell on wheels
People are running, hiding
From the shaking earth
Try to escape
'Cause Stan is nearby
He won't let you live
In peace
Oh yeah... hell on wheels
Oh yeah... hell on wheels
That's what we're looking for
A hell on wheels
A hell on wheels
A hell on wheels
Don't hold me, let me go
To the other world
Come & see me, find me
It's nice & warm
Satan's at my side
He won't let me go
A hell is hell
A hell is hell
A hell is hell
A hell is hell
Oh yeah... hell on wheels
Oh yeah... hell on wheels
That's what we're looking for
A hell on wheels
A hell on wheels
A hell on wheels
Hell on wheels
