[Ariana Grande]

I looked in the rearview mirror and  
It seemed to make a lot more sense  
Than what I see ahead of us, ahead us  
I'm ready to make that turn  
Before we both crash and burn  
Cause I can be the death of us, the death of us, baby

You know how to drive in rain  
You decide and that's okay  
Stuck in the same old lane  
Going the wrong way home

I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm going to crash  
Cause I can't have you the way that I want  
Let's just go back to the way it was

When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Constantly crazy  
Can we get back to the way it was

Hey, What happened to the butterflyes  
Guess they were moving kinda fast, that time  
And my heart is at a yellow light, a yellow light  
Hey, can we go back to where we found it  
But that's if we can turn it around  
You're saying baby don't worry  
But we're still going the wrong way baby

You know how to drive in rain  
You decide and that's okay  
Stuck in the same old lane  
Going the wrong way home

I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm going to crash  
Cause I can't have you the way that I want

Let's just go back to the way it was

When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Constantly crazy  
Can we get back to the way it was

They say only fools fall in love  
Rumors they've been talking about us  
Sometimes I feel like  
I've been here before  
I could be wrong, but I know I'm right  
Think I'm in love  
But we continue to fight  
Honey I know  
We can find our way home

I feel like my heart is stuck  
In bumper to bumper  
Traffic, I'm going to crash  
Cause I can't have you the way that I want  
Let's just go back to the way it was

When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Constantly crazy  
Can we get back to the way it was

When we were on Honeymoon Avenue  
Honeymoon Avenue  
Baby, Constantly crazy  
Can we get back to the way it was
