I'm a say be looking mighty fine tonight, tonight,
tonight, tonight
Sexified to the part everything fit in just right, alright,
alright, alright, alright
Would it be too much if I [?] and you looked back, and
the front
Like my fingers all the way up top, back down to the
middle
One to the [?] taste of what you start
Head shoulders knees toes
Head shoulders knees toes
Lips neck belly [?]
See it's mine girl, it's mine girl

There's no way tonight I can keep my hands off you
Tonight, tonight, tonight, tonight
[?] not a thing, there's a man who caresses' the [?] true
Alright, alright, alright
Girl you have a softer skin like cocoa butter sexy
woman like no other
How can you [?] your hair, kiss you right there,
touching you everywhere
From your head, shoulders, knees toes
Gonna touch it, gonna feel it
Lips, neck, belly, whoa
You gonna like it, you gonna like it you gonna like girl
Hips thighs down low, get into it, get into it
Head shoulders knees toes
From the top to the bottom it's mine
I'm gonna explore your body, head, shoulders
I'm gonna explore your body, knees, toes
It's mine,
I'm gonna explore your body, lips, neck
Explore your body, belly, whoa
It's mine
I'm gonna explore your body, hips, thighs
Down below, your body, it's mine
I'm gonna explore your body, head, shoulders
I'm gonna explore your body, knees, toes
It's mine,
Head shoulders knees toes

From the top to the bottom it's mine, all mine
All mine all mine
You belong to me
From the top to the bottom it's mine.
