Easy ready willing overtime
Where does it stop
Where do you dare me to draw the line
You got the body, now you want my soul
Don't even think about it
Say no, go
Yeah, I'll do anything that you want me to
Yeah, I'll do almost anything that you want me to
Chorus:
But I can't go for that no no can do
But I can't go for that no no can do
But I can't go for that no no can do
I can't go for that, can't go for that, can't go for that,
can't go for that
I can't go for being twice as nice
I can't go for just repeating the same old lines
Used the body now you want my soul
Oooh forget about it and say no, go
Yeah, I'll do anything that you want me to
Yeah, I'll do almost anything that you want me to
Chorus
Got my body and my mind and my soul
I'm guessing the truth is that I really don't know
The only thing I know is that I lose control
'Cause you're a beauty and a cutie and I can't let go
The lying the crying I just can't take
Why can't you be true girl with me girl you have to be
fake
I gotta be strong carry on to make it me and you
I can't go for that sorry, no can do
Yeah, I'll do anything that you want me to
Yeah, I'll do almost anything that you want me to
Chorus 3x
