Yeah Q Strange  
Wit dat Illriginal Style

[Verse 1]

Reppin' deep subterranean, crazy up in the cranium  
I'm lookin' mo' suspicious than Arabians with uranium  
Flyin' low in the shuttle, I'm far from subtle  
I'm gettin' stared at more than interracial couples  
I run through airport gates wavin' guns too like fuck you  
I come through, wanna blow dis bitch up too  
Cuz Q, don't know how to deal with every day stress  
I stay dressed in rags, and whack sneakers from  
payless  
My paychecks are way less, than cats wit half the talent  
My pockets slim and empty when they should be thick  
like Allen  
Battlin' emcees and they all full of a player shook  
Still I couldn't get signed with a pen and a yearbook

[Verse 2]

I'm in the house like I was on home confinement  
Lysin' like my career would be shorter than Paul Simon  
Never had the smarts to go and be and MD  
But they should still call me Doogie cuz I Houser MCs  
A thousand emcees, frontin' man they ain't sayin'  
nothin'  
Just flappin' they lips and tellin' stories like Teddy  
Ruxpin  
You ain't thugin' I don't care what your crew say  
Heard me rhyme on Friday it didn't hit cha till Tuesday  
You say alive I should come and see you rock  
I did, you bout as live as Biggie Smalls and Tupac  
Got a shoebox full of tongues keep as my trophies  
From homies, I annihilated at the show, see?

[Verse 3]

You was a top dog yesterday man, it don't scare me  
I'm here today like Matt Lower, and tomorrow like Annie  
You fairy, pansy yo you shoulda tried plan b

My beats thump like that rabbit on bambi  
Cant stand me, cuz you know that you ain't half as nice  
So go fuck ya self, like a hermaphrodite  
Pass the mic to me and piss mad kids off  
I hog the shit for two hours they're like "dag get off"  
I was in the ciper but I had to leave the circle  
Watchin' me battle is like seein' Screech vs. Urkel  
Verbal, mutilation, slaughter, man just accept it  
You pass me the mic, big mistake, yall shoulda kept it
