Junk is what junk does to another place the fact in the  
hand place the hand-me  
Down in a jar. to make it more palatable to make it  
more palatable to make it  
More palatable for you. Junk is what junk becomes  
immune to the stink and the  
Dull cut of butter knives scraping the burn. to make it  
more palatable for you.  
From pain to paperclip holding broken parts together  
from pain to paperclip  
Holding broken parts together. a puppet does what a  
puppet is told a puppet does  
What a puppet is told to do by stringing it up and away  
a puppet does what a  
Puppet is told. To make it more palatable for you.
