#### English translation

Searching for a place of refuge  
is the only way you know how to live.  
But as a Saint who's known fear all his life  
the least you can do is fight for love.  
\*While protecting someone with your wounded wings  
push through, lonely boy.  
Risking everything on your cloth.  
Oh stardust way, your lonely journey is about to begin.  
Don't hesitate, love and courage will be you  
after a battle.  
Surrounded by bitterness and futility,  
right now there's no one who can understand us.  
A hero drowning in sadness.  
Led on by a small warmth  
push through, lonely boy.  
Hanging on a prayer.

\*\*Oh stardust way, on a journey from which you'll  
never return.  
Don't hesitate, love and courage will be your  
guides.\*Repeat  
\*\*Repeat  
Oh stardust way, it's a lonely journey.  
Don't hesitate, love and courage will be your guides.  
Oh stardust way...
