We started dancing and love put us into a groove
As soon as we started to move.
The music played while our bodies displayed through
the dance
Then love picked us out for romance.

I thought it was clear, the plan was we would share
This feeling just between ourselves.
But when the music changed the plan was rearranged.
He went to dance with someone else.

We started dancing and love put us into a groove.
But now he's with somebody new.
What does love want me to do?

Love said, "Let the music play. He won't get away.
Just keep the groove and then he'll come back to you
again.
Let the music play. He won't get away.
This groove he can't ignore and he won't leave you
anymore."

He tried pretending our dance was just a dance but I
see
He's dancing his way back to me
Yes, he discovered we are truly lovers, magic from the
very start.
'Cause love just can't be proven and he felt me movin'
Even though we danced apart.

So we started dancing and love put us into a groove
As soon as we started to move.
As soon as we started to move.

Love said, "Let the music play. He won't get away.
Just keep the groove and then he'll come back to you
again.
Let the music play. He won't get away.
This groove he can't ignore and he won't leave you
anymore."

Let the music play. He won't get away
Just keep the groove and then he'll come back to you
again.
Let the music play. He won't get away.
This groove he can't ignore and he won't leave you
anymore."

Let the music play. He won't get away.
Just keep the groove and then he'll come back to you
again.
Let the music play. He won't get away.
This groove he can't ignore and he won't leave you
anymore."
