Here is the one I think I'll follow Here is my life My life in rooms

**MotoLyrics** 

Taking notes for myself Of all the things to not become So let's go from now Someplace far Let's go driving today Away

You gets so tired

Of yourself Taking these notes Inside some books See how it comes Slowly undone

On days like these We're not so young So let's go and buy Something new

Let's go driving Away Just for today
