ROUND AND ROUND

English translation

After a long struggle I reach the edge of my dream
only to awaken all alone in the this lonely world
If only I could I would've
Only lonely world
Liked to continue sleeping as I was,
Oh no noDuring a war, there's no such thing as
weariness.
Now I can no longer escape my painful lonely world
I want to see you
Only lonely world
I want to tell you how I've had enough of thisAh.
.. the door to this labyrinth,

before I knew it I'd already lost sight of it.
Ah... tomorrow I'll be wandering around these endless
paths once again.
round and round Why do the stars scorching the skies
continue
to cast their light upon me today? Uh-u lonely world
Even beyond this night
Only lonely world
There is no one who can answer my questions Ah.
.. the door to this labyrinth, please let me touch it
Ah... oh walls of my heart, please let me be free
Ah... the door to this labyrinth, please let me touch it
Ah... oh walls of my heart, please let me be free
Round and round
