Never had a few good mates, I see
Was f?r ein Schei?
Unhappy childhood, broken family,
Was f?r ein Schei?
A very little self esteem, I see
Was f?r ein Schei?
And unemployment, weak economy
Was fur ein Schei?gerede, Ausreden
Weiter spinnt ihr eure F?den
Denn in Wahrheit z?hlt ein Leben
F?r euch nicht viel

Ein Leben nicht viel

There's no excuse to fight these people, it's no excuse
There's no excuse to kill these people, it's no excuse
There's no excuse to burn these people, it's no excuse
There's no excuse to fight these people, it's no excuse

There's no excuse
