

The Explosion

"Nobody Knows"

Visit "[Nobody Knows](#)" on MotoLyrics.com

I know yesterday is gone,
And I'm thinkin' 'bout tomorrow, how will I be?
Will the clouds begin to fade?
Will I drown myself in sorrow, who will I be?

CHORUS

And nobody knows, where will I be,
Where will I be,
And nobody knows, our destiny,
Our destiny,
I'll be waiting for, a light to shine on me,
Shine on me, shine on me, shine on me.

As the time begins to change,
And I'm thinkin' 'bout the future, where will I be?
I know everybody wonders,
What love really means, what love really means?

CHORUS

And nobody knows, where will I be,
Where will I be,
And nobody knows, our destiny,
Our destiny
I'll be waiting for, a light to shine on me,
Shine on me, shine on me, shine on me,

All I do is think about, what it is we live without,
Time to open up my eyes, and think about the present
time,
I've had enough of wasting time, thinkin' about
tomorrow,
When all I have is here right now

(Ooohhh, here right now)(Oohhhoooooooo)

And nobody knows, where will I be, (where will I be)
Where will I be, (where will I be)
And nobody knows (nobody knows)
Our destiny (ohhooohhhoo) our destiny,
I'll be waiting for (waiting for) the light to shine on me,
Shine on me, shine on me, shine on me,

Shine on me, shine on me, shine on me.
