I know that you want happy ever after
And I'm not saying it don't exist.
But you can't keep us in fairy tale romance,
On a temporary prince.

'Cause love ain't for us to held
Remember what you're worth,
You got to converse.

And no matter how bad you want him around
You can't be a star with you pulling you down.

'Cause he's just not that into you,
Quit chasing and face the truth.
This ain't meant to discourage,
Don't keep giving him your heart.
I'm tired of seeing us hurting,
Crying over men that ain't worth it,
Go in to walk away, 'cause he's not into you.

People only do what you allow them to
So stop let the men run your life.
'Cause no one cares for you the way that you're
supposed to, girl.
You gotta learn the gift of saying good bye, saying
good bye.

'Cause love ain't supposed to hurt
If he ain't coming home, quit calling his phone.
Girl, be aware of the signs, quit wasting your time,
He's playing with your mind.

'Cause he's just not that into you,
Quit chasing and face the truth.
This ain't meant to discourage,
Don't keep giving him your heart.
I'm tired of seeing us hurting,
Crying over men that ain't worth it,
Go in to walk away, 'cause he's not into you.

I've been where you've been,

I've wasted tears in precious time,
Gave all of me just to end up empty.
But I'm a living example
Of what happens when you say 'no more'.
Don't ever let them to stop you from leaving,
You gotta know.

'Cause he's just not that into you,
Quit chasing and face the truth.
This ain't meant to discourage,
Don't keep giving him your heart.
I'm tired of seeing us hurting,
Crying over men that ain't worth it,
Go in to walk away, 'cause he's not into you.

All my ladies, he's not into you, yeah
