Shoot me up with Novocaine
Shoot me up with Novocaine
Shoot me up with Novocaine
I won't feel a thing

Shoot me up with Novocaine
Shoot me up with Novocaine
Shoot me up with Novocaine
I won't feel a thing

I can't talk, I can't sleep
I'm so numb that I can't breathe
I can't talk, I can't sleep
I'm so numb that I can't breathe

Shoot you up with Novocaine
Shoot you up with Novocaine
Shoot you up with Novocaine
You won't feel a thing

Shoot you up with Novocaine
Shoot you up with Novocaine
Shoot you up with Novocaine
You won't feel a thing

I can't think in my sleep
I've got anesthetic dreams
I can't think in my sleep
I've got anesthetic dreams

I can't think in my sleep
I've got anesthetic dreams
I can't think in my sleep
I've got anesthetic dreams

I can't think in my sleep
I've got anesthetic dreams
I can't think in my sleep
I've got anesthetic dreams
