You woke up, head aches, car wont start and your  
already late, so you drove  
Fast, too fast, yeah that was a cop you passed

When life gets this rough...  
Don't need to be so tough

[Chorus]  
This time! this time! everything, everything will be  
alright! when the  
Clock strikes midnight! I'm gonna be your hero!

(Oh, oh, oh) in my best dress  
(Oh, oh, oh) so baby don't stress  
Oh, oh, oh, oh, oh! I'll be your princess... charming

[Verse 2]  
You had a bad day, today, lost home coming game  
your the one to blame,  
Called your best friend, but he failed, straight to  
voicemail

When life gets thiss rough... don't need to be so tough

[Chorus]  
This time! this time! eveything everything will be  
alright! when the clock  
Strikes midnight! I'm gonna be your hero!  
(Oh, oh, oh) in my best dress  
(Oh, oh, oh) so baby don't stress  
Oh, oh, oh, oh, oh I'll be your princess... charming

I know it's not the way, the story usually goes, I'm  
gonna swing off your  
Feet, make your heart skip the beat, if you've read the  
fairytale where  
The boy saves the girl, just stop  
Cause it's not the way it has to be,  
This time, this time, everything, everything will be  
alright, when the clock  
Strikes midnight.  
I'm GONNA BE YOUR HERO!

(Oh, oh, oh) in my best dress  
(Oh, oh, oh) so baby don't stress  
Oh, oh, oh, oh, oh I'll be your princess  
Oh, oh, oh, oh, oh I'll be your princess... charming
