There's a fire starting in my heart
Reaching a fever pitch and it's bringing me outta the
dark
Finally I can see you crystal clear
Go ahead and sell me out
And I'll lay your ship there

See how I leave with every piece of you
Don't underestimate the things that I would do
There's a fire starting in my heart in my heart
Reaching a fever pitch and it's bringin' me outta the
dark

The scars of your love remind me of us
The keep me thinkin' that we could've had it all
The scars of your love they leave me breathless
I can't help feelin'

We should've had it a-a-a-all
Rollin' in the de-e-ep
You had my heart and so-o-o-oul ya had it
And you played it to the be-e-e-eat

Baby I have no story to be told
But I've heard one on you
And I'm gonna make your head burn
Think of me in the depths of your despair
Make a home down there as mine sure won't be shared

The scars of your love
Remind me of us
They leave me thinkin' that we could've had it all
The scars o-of your love they leave me breathless
I can't help feelin'

We could've had it a-a-a-all
Rollin' in the de-e-ep
You had my heart and so-o-o-oul ya had it
And ya played it to the de-e-e-ep
And you played it to the be-e-e-eat
Mmmhmm
