One body, two different souls, fallen too deep into two
separate worlds,
Don't be afraid to hold me tight, don't be afraid to
close your eyes. Why
Do we stand out in the rain, trying to wash away all the
anger and pain?
Time is so unkind. Screaming, dreaming. There ain't no
standing tall -in
The shadow of the shame, when everybody knows -I'm
a victim of the game. In
My mind I see pictures flashing by, and I wonder if it's
time for me to say
Goodbye. Trying to find a reason to fight, but all I can
see is myself on a
Downward flight. I pray my saviour, and beg him to tell,
that I'm bound for
Heaven, released from this spell, for I feel I've done
my time in hell.
There ain't no light when I'm standing in the shadow at
night, I feel the
Fright when I'm the victim of the game at night. Things
haven't changed
Since I picked up those broken pieces, I can only admit
it, I have no
Future with my past. Why do we stand out in the rain,
trying to wash away
All the anger and the pain? Don't be afraid to hold me
tight, don't be
Afraid to close your eyes. The big print was the truth,
words I didn't
Understand...
