Whoa?

Whoa?

She shot a hole in my soul  
I'm walking all over town, calling her name and trying  
to find her  
She shot a hole in my soul  
I'm walking all over town, knocking and beating on  
every door

Some pity me, and people start to cry  
One man said he'd help me but I think he done said  
goodbye  
But I've got to keep on trying, 'though I'm going crazy,  
about to lose my mind  
Oh, I've got to keep on trying, 'though I'm going crazy,  
about to lose my mind

My heart said without a love you're dying  
Baby, baby, baby, say, can't you hear me crying?  
Say, whoa?  
Whoa?

Help me, somebody  
Yeah? yeah?

(instrumental break)

I'm walking through a club, jump up and grab the  
microphone  
And asked the man who's leading the band to let me  
sing my song  
My heart said without a love you're dying  
Say, baby, baby, baby, now, can't you hear me crying?

Say, whoa?  
Say, whoa?

(repeat verse 1)

She shot a hole in my soul

She shot a hole in my soul  
Whoa-oh? Oh yeah...  
She shot a hole in my soul  
Yeah, yeah, yeah, yeah?  
She shot a hole in my soul, yeah?  
She shot a hole in my soul
